

Bent Tree Missions

Bent Tree is a mission-minded church, and actively engages in outreach both locally and internationally. The Church supports numerous ministry efforts, from mentorship programs in impoverished schools to crisis pregnancy centers. Since its founding, Bent Tree has been to over 90 countries on mission trips.

International Missions

- The Amazon
 - Bent Tree has worked with Brazilian church partners to establish relationships along the Amazon River.
- India
 - Bent Tree has focused on church planting in the Marantha region of India. Bent Tree Mission workers aimed to establish relationships, hosted Vacation Bible School (VBS) and other church activities, and worked with orphaned children while in India.
- Uganda
 - In Uganda, Bent Tree members worked with missionaries to teach youth how to create basic shelters from earthen materials. Members also worked with Uganda female leaders through interactive teaching.
- London
 - Bent Tree members worked with Matryoshka Haus, a nonprofit organization dedicated to social change, and witnessed the impact of the London-based radio ministry, 'Telling the Truth.'
- Haiti
 - Bent Tree members helped rebuild a village orphanage damaged by the 2010 earthquake.

Local Missions

- Open Table
 - This ministry revolves around a group of 12 individuals acting as a team to assist and advocate a Dallas-based impoverished family. The goal is to help the family develop a plan for a better future.
- Food 4 Hunger
 - Bent Tree partners with five Dallas-area food kitchens to provide food for those in need. From food drives to sorting cans, members are involved in every step of the process. The church's goal for 2013 is to raise over 25,000 pounds of food.
- Victim Relief
 - Bent Tree helps train crisis responders to attend to victim's physical, spiritual and emotional needs in the case of natural disasters or emergency response situations.
- Carter Blood Care

- Each year, Bent Tree holds three blood drives through partnership with Carter Blood Care, a Dallas-area blood bank.
- Big Hope-Mentor a Student
 - Adult education mentors spend one hour each week in Carrollton, Texas school districts building relationships and investing in the lives of at-risk students.
